

TOWN OF HULL 2016 FALL NEWSLETTER

SAVE

From the Desk of Your Clerk

2016 BIG election year is almost over.

For the November 8, 2016 General/Presidential Election:

Hull's Absentee Voting - Beginning October 3 and running through October 21 In-Person absentee voting hours run from 7:30 a.m. to 4 p.m.

Beginning October 24 and running through November 4 In-Person absentee voting hours run from 7:30 a.m. to 5:00 p.m. The in-person absentee hours do not include weekends.

Bring **proof of residency** with you if you are not registered to vote. To vote you must **provide** a PHOTO ID.

Proof of Residency: Requires your current name and current address. Examples of POR include the following:
WI Driver license/ID Card (if not expired or cancelled)
Any other official ID card or license issued by a Wisconsin Governmental body or unit
A real property tax bill or receipt for the current year or the year preceding the date of the election
A residential lease (Does not count as proof of residence if elector submits form by mail)
A picture ID from a university, college or technical college coupled with a fee receipt or an on-campus housing listing provided by the university, college or technical college
A utility bill for the period commencing not earlier than 90 days before the day registration is made
A bank statement
A paycheck
A check or other document issued by a unit of government (Homeless voters only) A letter from an organization that provides services to the homeless that identifies the voter and describes the location designated as the person's residence for voting purposes
A contact intake document prepared by a residential care facility indicating that the occupant resides in the

facility following info is from Bringit.Wisconsin.Gov. The below photo ID's can be unexpired or expired after the date of the most recent general election (currently, November 4, 2014 election):

- ✓ Most of you have the photo ID you need to vote in the next election (**Driver's License or Wisconsin state ID card**).
- ✓ Other acceptable photo ID
 - Military ID card issued by a U.S. uniformed service
 - A U.S. Passport

Other acceptable photo IDs for voting but must be **unexpired:**

- A certificate of naturalization that was issued not earlier than 2 years before the date of an election at which it is presented.
- A driving receipt issued by Wisconsin DOT (valid for 45 days)
- An identification card receipt issued by Wisconsin DOT (valid for 45 days)
- A photo ID card issued by a Wisconsin accredited university or college that contains date of issuance, signature of student, and an expiration date no later than 2 years after date of issuance. Also, the university or college ID must be accompanied by a separate document that proves enrollment.
- A citation or notice of intent to revoke or suspend a Wisconsin DOT issued driver license that is dated within 60 days of the date of the election.

Also acceptable photo IDs for voting whether they are expired or unexpired:

- An ID card issued by a federally recognized Indian tribe in Wisconsin

Seeking Hull Citizen Volunteers

Task Force on Addition / Remodeled Municipal Hull

Recently, the construction and the permitting usage phase has been completed on the new and remodeled portions of the Hull Municipal Building. We are asking for citizen involvement on finishing the Meeting Room portion of this project.

It is our hope the Hull Meeting Room will be available for citizen use in the future. This area needs to have some final enhancements so that it is functional and finished for community and government affairs. We are asking for citizen volunteers to assist in this effort. This is not a heavy assignment but we would like input from Hull citizens. For more information, please contact the Hull Municipal office at 715-344-8280 or townofhull@tn.hull.wi.gov. Thank You!

Parks Commission Member Needed

Do you want to have input on the care, direction of activities and playground equipment in our parks? Consider becoming a Parks Commission member. This commission meets three times per year in the early evenings. Make a difference! Volunteer! For more information, please contact the Hull Municipal office at 715-344-8280 or townofhull@tn.hull.wi.gov.

Thank You!

PLEASE READ

MESSAGE FROM THE ROAD CREW TOWN OF HULL

SNOWPLOWING

1. The Town of Hull's Road Crew plows snow when there is one inch or more. We begin by plowing the main roads such as Brilowski Road, Old Hwy 18, North Second Dr., Wilshire, etc. We then move on to the secondary roads. We sand by the stop signs, curves and the complete road on our main arteries.
2. We have 82 miles of roads in Hull to plow. There are four (4) separate plowing routes. For a snowfall of four inches, it will take between 10 -12 hours to plow each route.
3. **The Town of Hull's right-of-way is (in most cases) 33 feet from the center of the road. There is also a right-of-way around each cul-de-sac in the Town of Hull. The footage varies depending on the cul-de-sac. *We are not responsible for any damage to obstacles within that right-of-way such as sprinkler heads, rock gardens, fences, sod, etc.* We push the snow as far on to the right-of-way as we can to allow room for the next snowfall.**

When marking your yards, please leave your markers at least four (4) to six (6) feet off of the pavement. **(DO NOT USE METAL/STEEL POSTS as they can cause damage to our equipment).** If you feel the need to install markers, please use the flexible posts. After plowing a few times we cannot allow the roads to narrow. It is important to be able to plow the shoulders. When melting occurs, the water will have a place to go. If the shoulders are not plowed properly and melting occurs, the water could potentially flow onto the roadway and freeze thus creating a hazard.

Unless the snow is moved to the right-of-way, future snow falls which sometimes have been heavy and frequent in recent years narrows the driving surface creating serious safety and traffic problems. Under Wisconsin Law, Town government is responsible to keep the road safe, open and passable. Not only is Hull liable should this not occur but we receive an annual grant from the State of Wisconsin to ensure safe and well maintained roads.

We need citizen cooperation and support in keeping the roads safe and passable. If there are ways to improve our plowing operation, make it more effective and efficient, and less intrusive to your lawns and property, please let us know.

4. Once in a while we do knock over a mail box due to heavy snow or the mail box post is not in good condition. Mailboxes should be on breakaway posts (no larger than 4" x 4") located at least four (4) feet from the paved blacktop. All mail boxes must meet US Postal Service requirements. We will replace mail boxes we damage with mail boxes **of similar value** as long as the above guidelines are followed and the existing mailbox is in good/solid condition.
5. When we are snowplowing, please stay 200 feet away from the truck. We cannot see you when you travel close behind the truck.
6. Please remove vehicles/trailers from the roadway and/or cul-de-sacs and place in driveways when snow is anticipated. With vehicles in the roadway, the road narrows with frequent snowstorms and can create a hazard.
7. Any questions or suggestions, please contact the Town of Hull at 715-344-8280 or townofhull@tn.hull.wi.gov.
